

THIS WEEK IN FOREST SCHOOL...

Year 3

Volcanoes -
legends and
natural folk stories

Today we used volcanoes as the inspiration for our session. The children have been learning about them in class so we decided to create some large scale eruption pictures using different painting techniques such as flicking, dripping and splatting. The effects were amazing! Some children had the opportunity to have a go at fire lighting. They demonstrated a positive attitude and great perseverance as it definitely wasn't as easy as they first thought.
