

THIS WEEK IN FOREST SCHOOL...

Year 3

*The BFG/ Rivers
and Mountains*

Today in Forest School, Year 3 thought about the BFG as they are working on the book in English. The children made the BFG's cave using the pallets and milk crates. There were some very creative additions to the space. Some of the children also thought about what it would be like to be giants and used doll's house furniture to set up the dream scene.
