

Year 1 -

PSHE

Looking after
the world
and each
other

THIS WEEK IN FOREST SCHOOL...

NOLA focus: I
helped with kind
words

Curriculum focus:
PSHE - What can
harm local and
global environments
and how they can
care for it.

Today we shared the story Tidy by Emily Gravett. The children were outraged at the actions of the badger! They suggested ways in which he harmed the environment and made suggestions for him to change his behaviour. There seemed to have been a litter bug in Forest School, so the children worked as a team using the litter pickers to clean up the mess. They developed hand-eye co-ordination and communicated positively to each other to get the job done.
