

THIS WEEK IN FOREST SCHOOL...

Year 1 -
Autumn

Today we shared the story of *The Leaf Thief* by Alice Hemming. The children thought the story was silly as we discussed the changes in the seasons and why Squirrel was wrong. We observed lots of changes happening in autumn and went to collect leaves. They were challenged to find the most colourful and beautiful leaf; the children were very focussed in finding leaves with more than three colours. The children were so excited to share their beautiful finds.
