

THIS WEEK IN FOREST SCHOOL...

Reception -
Ticket to
Ride

Today we started our session reading *Look Up!* By Nathan Byron. We explored space travel and made straw rockets. They were quite tricky to fly at first but the children persevered to get enough puff to make them blast off. Some children made astronaut food in the mud kitchen, while others showed care for nature as they made a nest for birds. The children also spent time sharing books at our new outdoor book area and we all took a moment to be still and experienced a meteor shower like in the story.
