

Reception -
Seaside/
Pirates

THIS WEEK IN FOREST SCHOOL...

NOLA Focus: I used
the environment
safely.

Curriculum links

PSED - managing self,
self-regulation, building
relationships

PD - fine and gross
motor skills

EAD - creating with
materials

Today we read the story The Troll by Julia Donaldson. The children responded to the story by creating pirate ships, pirate eye patches and telescopes using a range of materials. We discussed a compass and its directions as well as how to use them to find your way and some children then made their own. We had such displays of creativity and perseverance today.
