Coats in school every day please!

Dear Parents and Carers,

Welcome back to a new half term!
It has been wonderful to see everyone return to school rested, refreshed, and ready to learn. This half term, our value is **Community** - a reminder that we are strongest when we work together, support one another, and celebrate the contributions of every member of our school family. Whether in the classroom, on the playground, or beyond the school gates, we will be encouraging our pupils to show kindness, cooperation, and respect, helping to make our community a place where everyone feels they belong. I look forward to a positive and inspiring few weeks ahead.

Anything is possible, we can all succeed!

Spotlight on...Pre-School

On Wednesday afternoon some of the Pre-School children went on their regular visit to the library. Karen shared the story of Bob and Bunk; 2 cats who were the same but different. They then played a game that helped them to learn about themselves and how they are different to their friends. Finally, they went on a book hunt around the library and Mrs. Wiggett's team won!

The children were beautifully behaved as always and are looking forward to their next visit. Thank you Karen!

A Big Thank you!

Our school community would like to thank We Flourish Garden Centre, Crowcroft, Leigh Sinton for the generous donation of winter flowing pansies that now adorn many of the planters around school. I am sure you will all agree that they add a splash of colour to the darker days.

Forest School Fun!

Reception have started their half term topic of celebrations so it felt right that we should start with Bonfire Night. The children learned about the Gunpowder Plot and why we celebrate this event. The children were inspired to make their own leaf sparklers and made a hot chocolate party in the mud kitchen.

Year 1 had their first session of the half term this week. We learned all about November the 5th and Bonfire Night. The children were inspired to make leaf sparklers, fireworks and build their own bonfires (pretend only). Other children enjoyed exploring the autumn leaves.

Attendance

Green (97.0% and above)

Amber (95.5% – 96.99%)

Red (95.49% or below)

What YOU must do:

- Telephone the school before 8.30am each day of your child's absence and leave a message on the absence line (we may call you back if we need anymore information).
- Tell the school in advance, of any medical appointments and bring in appointment cards/letters.
- If you are not sure whether your child is well enough to attend school, **send them in anyway** as they often perk up on arrival. **If they are unwell we will call you.**
- If you and your child are experiencing difficulties with school attendance then talk to us as a first step so we can help!

What WE will do:

- Check your child's attendance every day.
- Phone home to discuss your child's attendance with you and/or write a letter to you.
- Invite you into school for attendance meetings if we are concerned.
- If we cannot establish a reason for absence, then we may make a welfare home visit.
