

THIS WEEK IN FOREST SCHOOL...

Reception - Amazing Animals

This week we started our session by reading *Odd Dog Out* by Rob Biddulph. We talked about some of the things that were the same and different about each one of us. The children then each shared their ideas further in creating their own log dog, sharing their creations and explaining how they made it. They then used their log dogs as props when role playing characters from the story and created their own narratives. We celebrated the uniqueness of each log dog just as we celebrate our uniqueness.

NOLA focus: I shared my ideas

Curriculum Links:

CL - listening, attention and understanding

PD - Fine and gross motor skills

PSED - Managing self

EAD - creating with materials

UW - The natural world
