

# THIS WEEK IN FOREST SCHOOL...

Reception -  
Celebrations

NOLA focus: I used  
the environment safely

The children consolidated their learning about Remembrance and why we wear poppies from earlier in the week, by using our fine motor skills to explore textures and colours to create forest school poppies. It had also been the 5<sup>th</sup> of November this week, so we read a book 5 Little Fireworks by Cassie Veselovsky. The children shared their experiences of Guy Fawkes night as it is a culturally significant event that is celebrated in Britain. The children created leaf sparklers and worked together to create some collaborative art.
