

THIS WEEK IN FOREST SCHOOL...

*Reception -
All about me*

Today we based our learning around the story *Where the Wild Things Are* by Maurice Sendak. The children knew the story well as they are learning about it in their English lessons. The children searched for special nature finds to create nature crowns as well as having a musical rumpus using sticks and saucepans to create rhythms. We also found some moth caterpillars and were fascinated by them. The children thought carefully about where would be safe to put them.
