

THIS WEEK IN FOREST SCHOOL...

*Reception -
Mini-beasts
and seaside*

Today we linked the children's learning in the classroom by sharing *What the ladybird heard at the seaside* by Julie Donaldson. The children made fish and mermaids using natural materials, while others drew detailed maps. The children enjoyed sharing their maps and the features they had included. Others explored the sand and made letters using the sand moulds. We even had discussions about how we could adapt the letters into new ones such as d to l.
