

THIS WEEK IN FOREST SCHOOL...

Reception - Ticket to Ride

Today we shared the story *Blown Away* by Rob Biddulph. The children investigated and explored making kites. Following on from last week - we decided to make nature shakers. Children explored the different sounds that items made, such as grass, lentils, sticks and stones. The children listened carefully and described the sounds they heard. We ended the session singing some songs accompanied by our musical shakers.
