

THIS WEEK IN FOREST SCHOOL...

*Reception -
All about me*

To end their topic this week, reception thought about their senses. We ate snack outside for taste. We went on a hunt to find smelly things and tried to decide who had found the nicest smells in Forest School. We made leaf people and told stories with them. To end our session the children went on a search to find a nature treasure. They then had to sit and see how it felt and chose a word to describe it.
