

THIS WEEK IN FOREST SCHOOL...

Year 2

Castles and Fairy
Stories

In English Year 2 have been learning about Humpty Dumpty and alternative and additional versions of the story. In Forest School we read another alternative called Little Lumpty. The children made walls for Lumpty to sit on without falling off. We also got very distracted by two little visitors so we decided to make more feeders using sticks as perches. It reminded us that have a duty to look out for others in God's world. Other children had a great time developing their den building skills.
