

THIS WEEK IN FOREST SCHOOL...

Year 2

*Animals, habitats
and conservation*

Today all the children were very excited about the arrival of their elves and the start of Advent. We shared the story 'We are going on an Elf chase'. It was the inspiration for some natural art of the snow rabbit. Some of the children were given the responsibility of using tools to whittle a stick to make into an elf. Others made elves and other Christmas characters using tree cookies. The children also had a go at making Elf Houses using natural materials and other items found in Forest School.
